**Rubber Lining Subsidiary Received First Order
- SHOWA RUBBER (THAILAND) CO., LTD. -**

We would like to announce that our subsidiary Showa Rubber (Thailand) Co., Ltd. (SRT) whose startup of rubber-lining business in Thailand we announced on April 1 received their first order.

The first order was inspection and repair works in AJINOMOTO (THAILAND) Phra Pradaeng Factory.

It was a part of the regular inspection and the SRT factory manager spearheaded the work.

*Upper left: Pinhole test, Upper right: Bottom plate repair completed
Lower left: Defect on piping flange part restored, Lower right: Repair work for bottom plate*

SRT received other orders of inspection and repair works in succession from customers including AJINOMOTO (THAILAND) Kamphaeng Phet Factory, chemical manufacturer, and metal plating company, and their working sites are vibrant with these orders.

We keep the energy to operate the business with the aim of early positive turnaround on a single month basis.

We will appreciate your support and cooperation.

Thank you.
